School Ad Production Information

Pictures

- Can be black and white or color (ad will be produced in black and white)
- Pictures cannot be zerox copies, pictures from a newspaper.
- Printed/scanned pictures must be at least 300 dpi.

Logos or emblems

- We can use logos that have been printed on a business card, letterhead or envelope.
- Black and white logos are best.
- We CANNOT use logos from helmet stickers or equipment.

Layout and design

- Use the attached form as a work sheet to lay out your appropriate size ad. Give us a rough idea of what you want and we will develop the ad as close as possible to your design.

Electronic files and e-mail

If you plan to send material to us by email, follow these instructions:

- You MUST include the order form included in this mailing. This is our way of keeping a record of your order and production request.
- Please make sure you fill in all the contact information. If we have problems developing your ad or using the material you send, we may need to contact the ad designer to help us.
- The best way to send us any ad electronically is by using a .pdf.

.PDF AND .JPG FILES ONLY.
